Theresa Castlebury and Carolyn Wilson, Co-Editors of the 1960 Ranger.

FOREWORD

Our school is one of many machines of production responsible for the citizens of tomorrow . . . the students are the workmen, the teachers and supervisors the foremen and architects.

The new buildings of Perryton High School represent materialistic progress toward a better education. We can advance socially, physically, and spiritually as well as mentally if we use these structures to their best advantage.

These edifices are built upon a combination of ideals - ideals which are made up of the efforts and contributions, the dreams and aspirations, of the many students and teachers who have entered their doors.

Tomorrow's achievements are built on today's accomplishments. May the 1960 Ranger in future years bring back memories of apprenticeship for life.

- The Editors

DEDICATION

Because you are a teacher in the dignity of the noblest sense,

Because you have always been ready to understand, to sympathize, to laugh;

Because you have given freely of your time, talent, and of yourself;

Because we love and admire a wonderful person who came to us from far away and became one of us; and, finally,

Because we want you to take with you the most precious gift we have to offer, it is

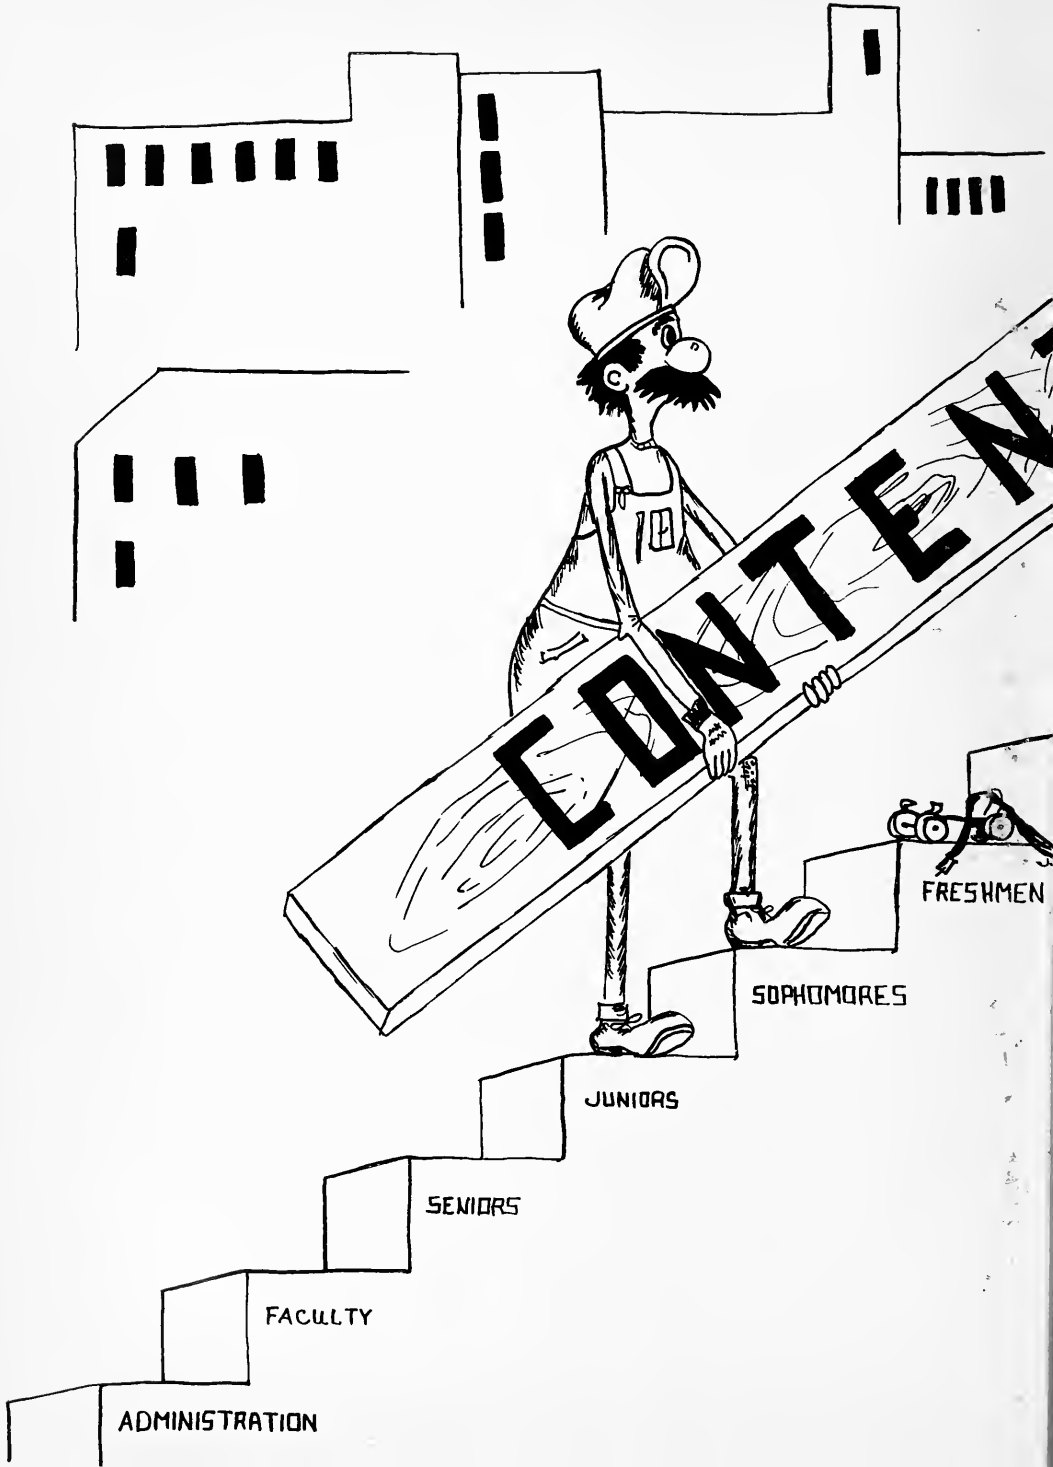

To you, Mr. Milton Hunkin, that we dedicate the 1960 RANGER.

GILBERT MIZE, Superintendent of Schools

MRS. SHELLEY HILL
Secretary

Years move on, time gently glides by and our school grows in size and distinction--all under the guidance of Mr. Gilbert Mize, superintendent of the Perryton Schools.

A leader who is highly respected and admired both in and out of school, Mr. Mize began work in the Perryton Schools in 1942 as principal of the elementary school. After spending several years in service, he returned to Perryton to work as principal of elementary and junior high. During these years, he also acted as a coach.

Mr. Mize holds a B.A. degree from Sul Ross State College and an M.A. degree from Texas Tech.

GEORGE ZOLLER, High School Principal

Mr. George Zoller holds in a very capable and efficient manner one of the biggest jobs in the Perryton Schools.

Before coming to Perryton High School in 1958, Mr. Zoller, who holds B.S. and M.D. degrees from Texas Tech, where he was a three letterman on the varsity football team, held the positions of coach and assistant principal in Plainview and Seminole Schools, respectively. Previous to this, he spent three years in the Navy.

The understanding principal enjoys the friendship of the students as well as the faculty.

Each an able carpenter in his own field, members of the Perryton High School faculty work carefully and unceasingly, with whatever building materials there are, doing their respective parts in the over-all construction of the final product, the common goal being the molding of each student into a useful, well rounded citizen ready to take his place in tomorrow's world.

Dear Jimmie:

You people should be very proud of your good looking boys and girls.

This is a difficult decision to make as I'd like to call them all winners. However, you make the rules and here are my choices. I have indicated the Most Beautiful Girl and Most Handsome Boy by placing a check on the back of their photos.

I'd like to congratulate all of the candidates and wish them all the luck and success in the future.

Sincerely,

Pat Boone

'60

The '60 Ranger is completely new from cover to cover. This year the staff has endeavored to make this year-book a complete record of your school days, friendships, and memorable activities.

Everyone has done his part - writing copy, rewriting copy, arranging layouts, rearranging layouts, doing art work, and working at other innumerable tasks.

Somehow, we have all endured the ordeal and completed your 1960 Ranger. Here it is! It is your book . . . the key to many memories of Perryton High School.

The 1959 football season, while not ranking as high statistically as in former years, was, nevertheless, one to be remembered. For example, we will never forget our coach, whose undying faith kept our spirits high and whose sense of fair play sent our boys out fighting. The wonderful spirit, the determination on our boys' faces, the fun and the laughs--these will stay in our memories as the 1959 football season.

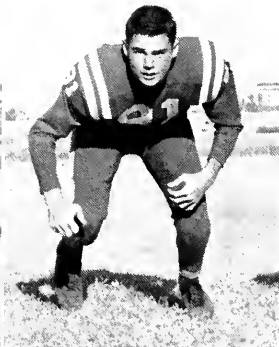

Head Coach Joe Ogden points out plays to Captain Ricky Shaffer, Assistant Coach Keith Flowers, Captain Gary Cook, and Captain Keith Good.

The Rangerettes displayed the type of sportsmanship and teamwork that everyone likes to see on a ball team. The girls had their best luck in tournaments, averaging 48 points a game.

The Rangerettes came very close to obtaining the District title, losing by only a small margin. Some defeats, however, are as triumphant as victories, for, as wise men once said, "When the one great scorer comes to write against your name, it matters not that you won or lost, but how you played the game."

For three years Mrs. Grace Pyles, as school nurse, has found herself very busily running from one section of the school to another, tending to the needs and wants of the students.

Although we come in contact with Mrs. Pyles when we are not experiencing our happiest moments, her sweet smile and pleasing personality help to make our day seem brighter.

"Gracie," as Mrs. Pyles is fondly called by many Perryton students, as well as faculty members, graduated as a Registered Nurse from Plainview Sanatorium and Clinic in Plainview, Texas.

a happy and
useful life
